

Friends of the Telford T50 50 MILE TRAIL

CIRCULAR WALKS Based on the Trail

MADELEY AND LITTLE DAWLEY POOLS LOOP

Distance 4 miles, 3.5 miles or 3 miles. Altitude difference negligible. Not suitable for a pushchair owing to the stile by the railway line.

There are at least five possible starting points, Madeley Tesco car park, the car park between Madeley Lidl and Subway, the car park at Castle Pools Little Dawley, Castlefields Way and also Majestic Way in Aqueduct. Both the Madeley Car Parks are easily accessible by bus. The Castle Pools car park is about a quarter of a mile from the bus stop on Hollies Road. Castlefields Way and Majestic Way in Aqueduct are both accessible by bus

Madeley Tesco Car Park Route (4 miles)

1. From Madeley Tesco's car park (TF7 5AB) walk to the supermarket entrance and then turn left between Tesco's on the left and a number of small shops on the right. On reaching the road cross the road at the pedestrian crossing by the Anstice and turn right. Continue past the bus stop turning left at the junction.
2. After a couple of hundred yards you reach a main road with traffic lights. Cross the road and continue straight. After a couple of hundred yards you pass Court Street Medical Practice this is where you join the alternative start from the rear of Lidl.
3. Continue straight past some houses on the left and the dry ski slope, the next few yards can be a little muddy after rain. About a hundred yards past the dry ski slope (Snowboard Ski Centre). Carry on ignoring a footpath on the right and the first footpath on the left. At the next footpath on the left turn left – the magenta coloured Telford T50 50 mile Trail signs start from here, *** you will follow the Trail for the next two miles or so.
4. Walk up and over the mound reaching the Madeley Court Hotel access road. Go straight across and look for the Trail marker a few yards on the right. Cross the bridge and walk between the two balancing pools to reach another footpath junction. Turn left and walk for a couple of hundred yards to reach another footpath junction, turn right under a bridge (the A442). This section can also be a little muddy. You very soon reach houses, turn left and almost immediately left again into Gittens Drive which you follow for about ten minutes until you reach a main road (Castlefields Way). Cross the road using the central island.
5. Carry straight on, crossing Majestic Way. You will soon reach the Dawley pools area. *Take the second left turn, the first left turn is signposted "Ironbridge Way". Follow the footpath with one of the Dawley pools on your right, there may be fishermen along this stretch. About 50 yards after leaving the pool turn left into the woods, there is a sign here but as at July 2020 we were still waiting for a short post to be located.
6. Follow the path through the woods, there is a left turn and then a right turn and then another left turn, all well signposted. After about fifteen minutes from the end of the pool

you reach another pool area with a board crossing on your right. Carry straight on, the path then joins another with a left turn and then very quickly turn right at the next junction. Follow the path under a bridge to reach a railway line. This is the line which runs into the now closed Ironbridge Power Station site. As at July 2020 there were no plans to re-use the railway line. Cross the stile and then the railway line with another stile on the other side. Walk on for about fifty yards to reach a footpath junction with a bench. This area can also be muddy after rain. You are now leaving the Trail.

7. Turn left and you have a pleasant fifteen minute woodland walk until you reach the Trail markers again where you turned right and walked beneath a bridge carrying the A442. Carry straight on, passing the Trail sign turning right and 250 yards past this sign turn right **and walk back into Madeley past the dry ski slope and to Tesco's.

Facilities in Madeley

There are toilets in Tesco, the Anstice Hall and at Lidl. Coffee and hot drinks are served in the Anstice and at Subway opposite the rear of Lidl, the Subway makes a convenient sandwich stop at the end of the walk, snacks are also available in the Anstice and from Gregg's alongside Tesco's.

Buses No 1, 2 and 4 provide frequent services to Madeley.
